OCTOBER- 2025

ACCREDO
support & development

Dearest gentle reader,

October was a month that truly had it all , laughter, blazing fireworks, and a little bit of fright! Between the radiant celebrations of Diwali and the creative chaos of Halloween, we were reminded of the beauty of diversity and the joy of connection that fuels our community.

And although the seasonal blues have begun to creep in, with chills, shorter days and the sun bidding farewell far too soon, one thing our teams did not fail to do was deliver their very best.

So sit back, cross your legs (perhaps with a warm drink) and allow me to take you on a little tour of what we've been up to.

PHOTO SPEAKS FROM OUR HINCKLEY TEAM

Did you know, dearest reader, that our amazing Hinckley team go on monthly trips? I didn't ! and oh, how you wish you could join them! This month, they enjoyed a lively bowling session in Nuneaton, followed by a delicious carvery. From the looks of it, they had an incredible day filled with laughter, strikes, and good company!

OCTOBER BIRTHDAY SHOUTOUT

Dearest celebrants,

Rehability UK EMPLOYEE OF THE MONTH

Akhil Thaniparthi

The October spotlight shines on our outstanding team member, **Akhil**.

Akhil one of our newer members of staff, has truly distinguished himself in such a short time. With determination and a willingness to grow, he has embraced every opportunity to learn new skills and support our service users graciously.

Taking every piece of feedback to heart, he has blossomed in confidence, and it shows! Our service users are not only delighted by his support but are now requesting him more often. We couldn't be prouder of how far he's come; he has quickly become a respected and much-valued member of our team.
